

SUPPLEMENT TO  
**THE AMERICAN JOURNAL  
OF  
PHARMACEUTICAL EDUCATION**

**Index to Volume XVII**

**INDEX TO AUTHORS**

**INDEX TO SUBJECTS**

**January, April, July and October**

**1953**

## Index to Authors

- Barr, Martin, National Seminar for Practicing Pharmacist, 252
- Bauer, Charles W., Should Course in Statistical Analysis Be Required of All Graduate Students, 91
- Beal, George D., Pharmacy's Place in Scientific Development, 36
- Berman, Alex, Section on Practical Pharmacy A.Ph.A., 351
- Bingenheimer, L. E. Jr., Stimulating Compounding Accuracy in Dispensing Pharmacy Students, 236
- Blauch, Lloyd E., Education of Teachers of Pharmaceutical Chemistry, 169; Professions, 12; Report of the Pharmaceutical Curriculum, 50; Summary and Evaluation of Seminar on Pharmacognosy, 560
- Bliven, Charles W., report of Delegates to American Council on Education, 679
- Bonow, Eunice R., Women's Section, A.Ph.A., 383
- Brady, Edward S., Six Year Program: Progress Report, 448
- Brecht, Edward A., report of Committee on Predictive and Achievement Tests, 659
- Brodie, Donald C., General Seminar, 106; Problems Facing Teachers of Pharmacy, 211; report of Committee on Audio-Visual Education, 662
- Burkhalter, J. H., Importance of Heterocyclic Chemistry in Teaching Organic Chemistry, 197
- Burn, J. Harold, Recent Developments in Biological Standardization, 54
- Burt, Joseph B., report of Executive Committee, 580
- Christensen, Bernard V. and Jenkins, Glenn L., Origin and Development of Pharmaceutical Survey, April 1946 to June 1949, 18
- Claus, Edward P., Brief History of the Plant Science Seminar, 433
- Costello, Patrick H., report of American Council on Pharmaceutical Education, 654
- Daniels, Troy C., president's page, 124, 280; report, 515
- Dann, George E., The Pharmazeutische Zeitung Observes George Urdang's Birthday, 7
- Darlington, Roy C., Increasing Efficiency in Pedagogy—Primary Objective of Section on Pharmacy of Conference of Teachers, 201
- Deno, Richard A., minutes of reorganization meeting of Executive Committee, 702
- reports: Committee on Libraries, 597; Committee on Resolutions, 690
- Role of Biologic Sciences in Development of Pharmaceutical Service—General Biology, Anatomy, Histology, 401
- Dille, James M., Problem of Publication in Science, 70
- Einbeck, Arthur H., report of Joint Committee on Status of Pharmacists in Government Service, 646
- Franke, Norman H., Section on Pharmaceutical Economics of A.Ph.A., 334
- Gisvold, Ole, report of Committee on Pharmaceutical Research, 617

- Green, Melvin W., Recent Progress in Pharmaceutical Education, 541
- Greenberg, Isidore and Jeffries, S. B., Integration of Hospital Pharmacy Administration into Pharmacy Business Management Curriculum, 275
- Griffenhagen, George B., Scientific Section of A.Ph.A., 342
- Guth, Earl P., Statistical Analysis as Requirement for Graduate Study in Pharmacy, 430
- Hager, George P., Pre-Pharmacy Requirement and Graduate Program, 219
- Hoch, J. Hampton, Twenty-ninth Annual Plant Science Seminar, 159
- Hook, George B., Does Procurement Agent for Medical Supplies Differ from General Purchasing Agent? 419
- Hopponen, Raymond E., What Can We Expect of Five Year Program? 217
- Hughes, F. N., For Better Public and Professional Relations, 499
- James, Arthur E., report of Committee on Educational and Membership Standards, 608
- Jeffries, S. B. and Greenberg, Isidore, Integration of Hospital Pharmacy Administration into Pharmacy Business Management Curriculum, 275 and Soba, Hilton M., Use of Financial Controls in Retail Pharmacy, 260
- Jenkins, Glenn L., Should Physical Chemistry, Including Instrumentation, Be Required of All Graduate Students in Pharmacy, 100
- and Christensen, B. V., Origin and Development of Pharma-
- ceutical Survey, April 1946 to June 1949, 18
- James, Roy H., University of Arkansas School of Pharmacy, 248
- Kaufman, K. L., Ethics for Pharmacy Student, 225
- Kazin, Louis E., Pharmacy Internship Must be Post-Graduate Program, 424
- Kelley, Ray S., report of Committee on Activities for Alumni, 599
- King, Theodore O., Study of Teaching of Pharmacology in Colleges of Pharmacy in 1952-53, 436
- Lichtin, J. Leon, Relationship Between Measurements and Calculations Used in Pharmacy, 254
- Little, Ernest, Scientific Research from Viewpoint of After Dinner Speaker, 567
- Lyman, Rufus A., abstract of Secretary W. Paul Brigg's report of meeting of Executive Committee of American Foundation for Pharmaceutical Education, 730
- biographical sketch of Edward C. Reif, 513
- editor's page, 126, 282, 462, 706
- invocation at opening of Tabernacle Choir Concert, 707
- memorial, Robert L. Crowe, 727
- notice to authors of papers, 5
- reports: chairman of Committee on Problems and Plans, 600; editor of *Journal*, 588
- Lynn, Eldin V., Century of Research in Pharmaceutical Chemistry in Schools of Pharmacy of U.S., 183
- Macht, David I., Biblical Hyssop and Penicillin, 457

- Martin, Alfred N., Pharmacy's Problems Can Be Solved, 214
- and Sprowls, Joseph B., New Sequence In Pharmacy Curriculum, 230
- Merceer, Frank L., Proposed Laboratory Course in Pharmacognosy, 81
- Miller, Clifton E., Centralized vs. Decentralized Libraries, 454
- Nelson, John W., Pharmacology, Pathology and Advanced Courses in Development of Pharmaceutical Service, 414
- Neuroth, M. L., Pharmacy Information for High School Principals and Guidance Directors, 73
- Parks, Lloyd M., report of Committee on Constitution and By-laws, 674
- Pratt, Robertson, Pharmacognosy, Physiology and Biochemistry in Development of Pharmaceutical Service, 410
- Reif, Eward C., Installation Address, 524
- Rodman, Morton J., Some Aspects of Teaching of Pharmacology, 241
- Rogers, Charles H., report of A.A.C.P. Committee on Status of Pharmacists in Government Service, 602
- Rowe, Tom D., report of Committee on Relation of Boards and Colleges, 592
- Schaefer, Hugo H., Remington medal presentation remarks to Patrick H. Costello, 158
- report of delegates to N.D.T.C., 687
- Smith, Austin, Pharmacy's Place in Family of Healing Professions and Public Health, 46
- Soba, Hilton M. and Jeffries, S. B., Use of Financial Controls in Retail Pharmacy, 260
- Soine, Taito O., Importance of Heterocyclic Chemistry in Teaching Organic Pharmaceutical Chemistry, 194
- Sonnecker, Glenn, Section on Education and Legislation, A.Ph.A., 362
- Sprowls, Joseph B. and Martin, Alfred N., New Sequences in Pharmacy Curriculum, 230
- Stiles, William W., Role of Pharmacist in Civil Defense, 552
- Swinyard, Ewart A., Professional Societies and Pharmaceutical Education, 61
- report of Committee on Graduate Study, 623
- Use of Audio-Visual Aids in Teaching Pharmacology, 444
- Tripp, J. T., Bacteriology, Microbiology and Public Health in Development of Pharmaceutical Service, 406
- Urdang, George, A.Ph.A.'s Section on Historical Pharmacy, 389
- Introductory Remarks (forming of sections), 331
- Message from Historian, 588
- Pharmacy's Part in Society, 27
- VanderWyk, Raymond W., Modern Trends in Teaching Pharmacognosy, 76
- Voss, Elbert, Introductory Physiology in Pharmacy Curriculum, 204
- White, Allen I., Development of Professional Morality in Pharmacy Students, 222
- Wilson, Stephen, report of Committee on Curriculum, 628
- Youngken, Heber W. Jr., Language Requirement for Graduate Degree, 94

- Washington Experiment—Clinical Pharmacy, 64
- Zopf, Louis C., minutes of Executive Committee meetings, 111, 116, 697
- report of secretary-treasurer, 576
- Zupko, Arthur G. and Mercer, Frank L., Proposed Laboratory Course in Pharmacognosy, 81

## Index to Subjects

- Address, changes and insertions, Troy C. Daniels, 155 (address page 537, 1952)
- installation, Edward C. Reif, 524
- American Animal Health Pharmaceutical Association, publication announcement, 281
- American Association for Advancement of Science, representative, 508
- American Association of Colleges of Pharmacy, delegates to annual meeting, covers October *Journal*
- officers, past, 503; present, 505; teachers' sections, 508
- places of meeting, 502
- program, 492; teachers' sections, 493
- American College of Apothecaries, action on distribution of drugs, 504; board of directors, 504; officers, 311, 504
- American Council on Education, delegates, 507; report of delegates, 679
- American Council on Pharmaceutical Education, board of directors, 655; director of educational relations, 655; executive officers, 655; financial statement, 658; report, 654; representatives, 507
- American Foundation for Pharmaceutical Education, annual meeting, 314; election of George V. Doerr as honorary president, 732; meeting, board of directors, 315; minutes, executive committee meeting, 730; new fellows, 511; officers, 511
- American Medical Association, position on doctor-draft law, 5
- American Pharmaceutical Association, delegates from A.A.C.P., 507; officers, 310
- Appointments, special 507
- Awards: Ebert, 345; J. Leon Lascoff, 468; Marcia C. Noyes, 497; Joseph P. Remington, 158; H. A. K. Whitney, 323
- Bacteriology, microbiology and public health, J. T. Tripp, 406
- Biblical hyssop and penicillin, David I. Macht, 457
- Biologic sciences, role in pharmaceutical service, Richard A. Deno, 401
- Biological standardization, recent developments, J. Harold Burn, 54
- Biology, anatomy, histology, Richard A. Deno, 401
- Births, 163, 312, 491, 575
- Boards and colleges, resolutions from district meetings, 593

- Books, new, 160, 316, 732  
By-laws, A.A.C.P., *Journal*, Vol. XVI (1952), p. 731 amendment adopted, 645, 691  
Canadian colleges, 609  
Canadian Conference of Pharmaceutical Faculties, 609  
Chemistry, heterocyclic, importance in teaching organic chemistry, Taito O. Soine, 194  
physical, including instrumentation, for graduate students, Glenn L. Jenkins, 100  
Collaborators, editorial, 3, 167, 327, 509  
College of pharmacy publications, Ahmedabad, India, 324; Ontario, Canada, 193  
Colleges of pharmacy in foreign countries, information about, 609  
Committee, activities for alumni, discontinued, 692; report, 599  
audio-visual education, membership, 507; report, 662  
civil defense education, membership, 507; report, 675  
committees, continued one year, 693; membership, 507  
conference of teachers, name changed, 674; officers and committees, 310; see council, 507  
constitution and by-laws, membership, 507; report, 674  
curriculum, membership, 507; report, 628  
educational and membership standards, membership, 506; report, 608  
emergency problems, discontinued, 693  
executive, see Executive graduate study, discontinued, 693; report, 623  
libraries, membership, 506; re- port, 597  
personnel problems, discontinued, 693  
pharmaceutical research, discontinued, 693; report, 617  
predictive and achievement tests, membership, 507; report, 659  
problems and plans, membership, 506; report of chairman, 600  
relations of boards and colleges, membership, 506; report, 592  
resolutions, membership and report, 690  
status of pharmacists in government service, A.A.C.P. membership, 506; membership and report of joint committee, 646; report of A.A.C.P. committee, 602  
Committees, special, 507; standing, 506  
Compounding accuracy in dispensing pharmacy, stimulating, L. E. Bingenheimer, Jr., 236  
Conference of teachers, see Council  
Constitution of Association, see *Journal* Vol. XVI (1952), p. 729  
Corrections, 155  
Council on conference of teachers, membership, 508  
Degrees conferred, 1952-53, 582  
Doctor-draft law, recommendations of A.M.A., 6  
Druggists Research Bureau, representative, 507  
Ebert prize awards, 1874-1953, 345  
Editor's mail, gleanings from, 131, 286, 469  
Editor's page, 126, 282, 462, 706  
Editor's report, 588

- Education of teachers of pharmaceutical chemistry, Lloyd E. Blauch, 169**  
**Enrollment data, 581**  
**Ethics for pharmacy student, K. L. Kaufman, 225**  
**Executive Committee, 2, 166, 326, 505**  
**minutes of meetings, 111, 116, 117 (interim), 697, 702; report, 580**  
**Fellowships, covers each Journal, suggestions about, 287**  
**Five-year program, what can we expect? Raymond E. Hopponen, 217**  
**Grants, permanent committee suggested, 287**  
**Great oak tree, Liberty Hyle Bailey, 123**  
**Historian's message, George Urdang, 588**  
**Hospital pharmacy administration integration into business management curriculum, S. B. Jeffries and Isidore Greenberg, 275**  
**Institutions holding membership in Association, covers each Journal**  
**Invocation at opening of Tabernacle Choir Concert, Rufus A. Lyman, 707**  
**Kappa Epsilon, publication of brochure, 216**  
**Language reading requirement for graduate degree, Heber W. Youngken, Jr., 94**  
**Lascoff, J. Leon, memorial award to Max T. N. Lemberger, 468**  
**Letters to editor, 131, 286, 469**  
**Libraries, centralized and decentralized, Clifton E. Miller, 454**  
**criteria and standards established, 468**  
**March of Dimes, announcement, 705**  
**Marriages, 163, 274, 469**  
**Measurements and calculations, relationship, J. Leon Lichtin, 254**  
**Medical Library Association, Marcia C. Noyes award to Mary Louise Marshall, 497; meeting, 461**  
**Member-colleges, covers each Journal**  
**Memorial to Robert L. Crowe, 727**  
**National Drug Trade Conference, report, 687; representatives, 507**  
**National Wholesale Druggists Association, representative, 508**  
**News, 135, 290, 470, 711**  
**Notice to authors of papers, 5**  
**Officers, A.A.C.P., 2, 166, 326, 505; teachers' sections, 508**  
**Papers, notice to authors, 5**  
**Pharmaceutical chemistry, century of research in schools of pharmacy in U.S., Eldin V. Lynn, 183**  
**education of teachers of, Lloyd E. Blauch, 169**  
**Pharmaceutical curriculum, report on, Lloyd E. Blauch, 50**  
**Pharmaceutical education, in Canadian and foreign schools, Arthur E. James, 609**  
**recent progress, Melvin W. Green, 541**  
**reference to paper by Doctors Sonnedecker and Urdang, 551**  
**Survey, origin and development, B. V. Christensen and Glenn L. Jenkins, 18**  
**Pharmacist, practicing, national seminar program for, Martin Barr, 252**  
**role in civil defense, William W. Stiles, 55**

- Pharmacognosy, modern trends in teaching,** Raymond W. VanderWyck, 76
- physiology and biochemistry role in development of pharmaceutical service,** Robertson Pratt, 410
- proposed laboratory course,** Frank L. Mercer and Arthur G. Zupko, 81
- Pharmacology, aspects of teaching,** Morton J. Rodman, 241
- pathology and advanced courses,** John W. Nelson, 410
- study of teaching,** Theodore O. King, 436
- use of audio-visual aids in teaching,** Ewart A. Swinyard, 444
- Pharmacy, clinical, Washington experiment,** Heber W. Youngken, Jr., 64
- curriculum, new sequence,** Joseph B. Sprowls and Alfred N. Martin, 230
- information for high school principals and guidance directors,** M. L. Neuroth, 73
- internship, must be post graduate program,** Louis B. Kazin, 424
- problems can be solved,** Alfred N. Martin, 214
- problems facing teachers,** Donald C. Brodie, 211
- retail, use of financial controls,** S. B. Jeffries and Hilton M. Soba, 260
- statistical analysis for graduate students,** Earl P. Guth, 430
- Pharmacy's part in society,** George Urdang, 27
- place in family of healing professions and public health,** Austin Smith, 46
- place in scientific development,** George D. Beal, 36
- Pharmazeutische Zeitung observes George Urdang's seventieth birthday,** 7
- Physical chemistry as requirement for graduate students,** Glenn L. Jenkins, 100
- Physiology in pharmacy curriculum,** Elbert Voss, 204
- Plant Science Seminar,** J. Hampton Hoch, 159
- history,** Edward P. Claus, 43; names on program, 311; program, 498
- Pre-pharmacy requirement and graduate program,** George P. Hager, 219
- President's page,** 124, 280
- President's report,** 515
- Procurement agent for medical supplies,** George B. Hook, 419
- Professional morality, development in students,** Allen Q. White, 222
- Professional societies and pharmaceutical education,** Ewart A. Swinyard, 61
- Professions,** Lloyd E. Blauch, 12
- Public and professional relations,** F. N. Hughes, 499
- Publication, problems in science,** James M. Dille, 70
- Ontario College of Pharmacy Bulletin,** 193
- Publicizing pharmacy at the University of Florida,** 279
- Recommendation adopted, amending article I, section 7 of by-laws (curriculum and degrees),** 645, 691
- amending constitution,** 519, 690, 695
- approving two preprofessional years,** 519, 690, 695
- asking Executive Committee to reconsider announced dates for 1954 seminar on pharmaceutical education,** 696

- committee on committees revise and edit its 1953 report and submit it to Executive Committee, 693
- continuation of committee on committees, 521, 691, 693
- directing attention of committee on constitution and by-laws to certain recommendations, 693
- directing resolutions be sent to officials, 606, 693
- discontinuing committees: activities for alumni, emergency problems, graduate studies, pharmaceutical research, personnel problems, 693
- expressing appreciation to Deans Burt and Zopf; hosts in Salt Lake City, 696
- protesting assignment of pharmaceutically educated officers to non-professional areas, 606, 692
- requesting investigation of charges about R.O.T.C. units, 606, 692
- two nominees for each office except chairman of Executive Committee and secretary-treasurer, 695
- Recommendation, no action, opposing preprofessional education, 593, 694
- Recommendation, no action necessary, amending article VIII of constitution, 519, 690
- Recommendation referred to Executive Committee, directing public attention to educational progress, 694
- establishing joint committee on pharmacy education, 522, 691
- maintain professional personnel roster and teachers placement bureau, 593, 694
- public relations committee to be appointed, 541, 593, 692
- Reif, Edward C., biographical sketch, Rufus A. Lyman, 513; portrait, 512
- Remington medal presentation to Patrick H. Costello, Hugo H. Schaefer, 158
- Section on pharmacy of conference of teachers, primary objective, Roy C. Darlington, 201
- Sections of A.Ph.A.: education and legislation, Glenn Sonnedecker, 362; historical and introductory remarks, George Urdang, 389; pharmaceutical economics, Norman H. Franke, 334; practical pharmacy, Alex Berman, 351; scientific, George B. Griffenhagen, 342; women's, Eunice R. Bonow, 383
- Sections of teachers, officers, 508
- Secretary-treasurer, report, Louis C. Zopf, 576
- Seminar, general, Donald C. Brodie, 106
- on pharmacognosy, names on program, 311; suggestions concerning teaching, 565
- Six year program, progress report, Edward S. Brady, 448
- Societies, professional, and pharmaceutical education, Ewart A. Swinyard, 61
- Statistical analysis, should course be required of graduate students, Charles W. Bauer, 91
- Tribute to S. Barksdale Penick, 729, 731
- University of Arkansas School of Pharmacy, Roy H. Jones, 248
- Urdang, George, portrait, 6
- Whitney, H. A. K., award to Don E. Franke, 323
